League, League Cup and County Cup Fixtures - 2026-27 Season

Fixtures Lists

All fixtures are published on the FA Full Time Website. League and league cup fixtures are published by the league. Wiltshire FA's county cup fixtures (for U13s and above) are published there too.

Below is a link to the 26-27 league fixture home page – this is filtered for MYFC so it only shows MYFC team fixtures. You can apply more filters to filter for just your age group or team or for specific dates etc.

MYFC 26-27 Fixtures

League season start date and first league fixtures

For the competitive divisions (so U12 Mixed and older and U12 Girls and older) the first fixtures will be scheduled for the weekend of **Saturday 5 and Sunday 6 September 2026**.

For all other teams so our U7-11 age groups, the first fixtures will be scheduled for the weekend of **Saturday 12 and Sunday 13 September 2026**

Fixture breaks – all league teams

The following weekends are fixture breaks when no fixtures will be arranged by the league for any teams.

- Saturday 24 and Sunday 25 October 2026 – first weekend of October half term (**Note:** the following weekend at the end of half term (1/2 November) will be a regular fixture weekend)
- Saturday 26 and Sunday 27 December 2026 - Christmas
- Saturday 2 and Sunday 3 January 2027 – New Year
- Saturday 27 and Sunday 28 March 2027 - Easter

Optional fixture dates for U12s and above; no fixtures for U7-11s

The following weekends that fall at the start of the various school holidays are optional fixture weekends. So our U12 and above teams can request postponements if they have a fixture on these dates. Two weeks is the standard notice period and these kinds of postponements need to be requested via our Club Fixtures Secretary.

The development leagues (U11 and below) will not have fixtures scheduled on any of these dates.

- Saturday 19 and Sunday 20 December 2026

- Saturday 13 and Sunday 14 February 2027
  (**Note:** the following weekend at end of half term (20/21 February) will be a regular fixture weekend)

- Saturday 3 and Sunday 4 April 2027

Our Club Fixtures Secretary will send reminders about these optional weekends nearer the time.

Home fixture venues and kick off times

As a general rule home fixtures will be managed and co-ordinated centrally by our Club Fixtures Secretary with some help from our Club Secretary. We feed back any venue and kick off time changes to the league who then update FA Full Time.

Home fixture changes and how fixture postponements work (and the league rules around this) are covered in the Club's general team admin guide which you can find here: https://www.myfc.club/team-admin

County Cup Fixture Calendar– U12s and Above

All of our teams in the U12s and above have been entered into their respective county cup competitions.

Given the number of teams in some age groups and to try and avoid very mismatched and uneven first round cup ties, since the 2025-26 season teams in the larger age groups are now being divided into cup and plate competitions based on their league divisions.

Wilts FA will publish a calendar of County Cup fixture dates on their website once available:

https://www.wiltshirefa.com/cups-and-competitions/county-cups

Fixtures and results can be found here https://www.wiltshirefa.com/cups-and-competitions/county-cups/fixtures-and-results

Information on rules and useful documents can be found here https://www.wiltshirefa.com/cups-and-competitions/county-cups/rules-and-documents

If the Club Fixtures Secretary needs to change the kick off time of your home county cup tie due to fixture/pitch scheduling reasons, they will ask you to confirm this via email with your opposition manager. This will then be sent onto Wilts FA to request the kick off time change.

All County Cup Finals are hosted by Wilts FA at a central venue, usually at Green Lane in Devizes.
