MYFC Playing Kit Sign Out Sheet

Playing kit remains the property of the Club at all times.
Playing kit must be returned when new kit is issued to a player, when a player leaves the Club or otherwise if requested by the Club on reasonable notice.
Players and parents must take good care of the kit (except fair wear and tear) and follow the washing and care instructions provided. Kit is often handed down and re-used by younger age groups.
If any item of playing kit is lost or damaged (except fair wear and tear) and needs replacing, parents/carers will usually be required to cover the cost of procuring any replacements from the Club's supplier.
